

Temple Avodat Shalom

Weekly Announcements

The security committee needs volunteers to act as greeters for all official functions taking place at TAS.

A greeter is not a security guard. He or she simply acts as the person that stands in the lobby and greets people as they come into the building when the door is unlocked, and lets people in when the door is locked.

Anyone acting as a greeter will be given instructions by the security committee as to what to do if they see anything suspicious.

To volunteer, please send an email to greeters@avodatshalom.net and let us know if you have a preference to type of function -- Shabbat, Torah study, Religious School, etc.

Thank you,
The Security Committee
